NEICORD (North East India Committee on Relief & Development) is a non denominational evangelical Christian organization. Since its inception in 1981, it serves the poor and downtrodden people by providing spiritual and physical aid in North Eastern part of India. NEICORD provides relief materials such as food, water, shelter and health care to the victims of natural disasters, diseases and famine to rebuild their lives. Hundreds of lives have been touched and blessed through its ministry. NEICORD has trained church workers and community leaders in caring people affected by HIV & AIDS and in preventing the people from the same. NEICORD serves the churches through partnership in reaching out to the needy community irrespective of caste, color and religion.

In the coming years, NEICORD would like to focus its ministry towards child welfare and child development in the region. While other priority areas remain unchanged, NEICORD would like to look at the plight of the children to create a lasting change in their lives- both their family as well as their community life. Our desire is to have a healthy, bright and smiling child in all our families and even those who are living in an abject poverty. Our children are our treasure and inheritance from God

But the present scenario of our region is far from this dream. Many children who speak our own

dialects and worship the same God still go hungry every night. Many do not have the opportunity to go to school and even few who get this opportunity are soon compelled to drop out due to poverty. We encounter many children without proper clothing and even without shoe in this cold weather!

We would like you to join hands with us in this noble endeavor to give sparkles on the face of a child. We would like you to help us provide a child with education, better food to ensure a healthy life. Your generous support through sponsorship can help build and shape the future of the child.

HOW CAN YOU HELP???

You can help a child smile and realize her/his dream by gifting just Rs. 650/- only per month. The child's picture story would be sent to you once you give your commitment. Let us join hands to see children to receive an equal opportunity to reach their God given potential.

You may send your check/DD/cash in favor of NEICORD, Canara Bank, Shillong Branch

Yours for others
